

Dear Camp Drift-A-Bit Scholarship Applicant,

We are excited to offer scholarship opportunities for you, made possible by generous donations from our greater community.

Camp Drift-A-Bit aims to **empower young Southern West Virginians** to explore and care for their natural environment **through outdoor adventure, community service, and environmental stewardship**. We encourage children to **embrace their natural curiosity, inspiring confidence** in their ability to learn.

We create opportunities for children to become: **CURIOUS** by looking deeply at natural wonders, both big and small, that surround us each day in our own backyard. **COURAGEOUS** by empowering each child to challenge their perceived comfort zone, through adventure and activities facilitated in an emotionally and physically safe environment. **CONFIDENT** by practicing skills to become effective team players and leaders.

Camp Drift-A-Bit Scholarships aim to provide these opportunities for youth who may otherwise be financially unable to participate. Therefore, applicants must demonstrate financial need in their application. Full and partial scholarships are awarded accordingly.
